

Maple Mobility

Maple Mobility suppliers of high quality products you can trust

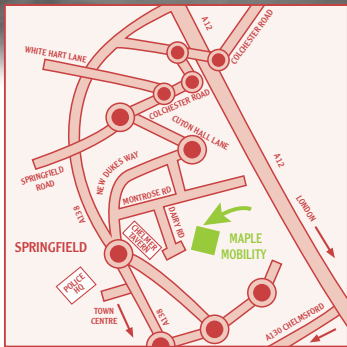

- Do you find bathing becoming more difficult?
- Do you need a level access shower?
- Have you thought of a stylish, hygienic, easy access “wet-room” solution?
- Is your old bath tub redundant and no use to you now?
- All “wet room” solutions individually designed to your needs and budget!
- Fully installed, with all electrics, all plumbing, design, building regs (where req'd) tiling and flooring, carried out by our qualified, experienced staff.
- Only the best quality products and materials used on all aspects of the installation.

- ‘Independent’ fully fitted kitchens designed for convenient use, with or without your wheelchair.
- A three stage expert planning service with 3D computer generated colour photos to see your kitchen before you decide.
- Enhancing your home as well as providing the users with a functional and excellent workspace.
- Fully Guaranteed
- Many unique features - for example rise & fall sink & drawer units and pull-out shelves & work surfaces.
